The Quality Assurance clauses are applied to purchase orders only to flow our requirements to our suppliers.

EDM DEPARTMENT INC., their Customers and/or regulatory authorities reserve the right to inspect all materials, special processes, inspection and test data, procedures, or facilities which are pertinent to the respective purchase order. All quality data must be maintained on file for seven (7) years and/or as required by Customer.

Unless otherwise noted, the latest revision to applicable Customer and Government Specifications shall apply.

EDM QA-10 NDT

Non-destructive testing must be accomplished by approved sources selected from EDM DEPARTMENT INC., Inc. approved source listing, or from sources approved by EDM DEPARTMENT INC., Inc. Customer as specified on the Purchase Order. All non-destructive testing must be accomplished in accordance with the requirements of the specification. All NDT certifications must show evidence of analysis results with direct identification to specific unit or lot tested and must be signed by an authorized Quality Representative of the supplier.
