The Quality Assurance clauses are applied to purchase orders only to flow our requirements to our suppliers.

EDM DEPARTMENT INC., their Customers and/or regulatory authorities reserve the right to inspect all materials, special processes, inspection and test data, procedures, or facilities which are pertinent to the respective purchase order. All quality data must be maintained on file for seven (7) years and/or as required by Customer.

Unless otherwise noted, the latest revision to applicable Customer and Government Specifications shall apply.

EDM QA-11 SPECIAL PROCESSING

Special processing must be accomplished by approved sources selected from EDM DEPARTMENT INC., Inc. approved source list. Special processes include, but are not limited to, heat treating, welding, anodizing, and plating. Certification, signed by an authorized Quality Representative of the supplier, is required. Certification must include actual results for all specification requirements with direct identification to specific unit or lot processed.
