The Quality Assurance clauses are applied to purchase orders only to flow our requirements to our suppliers.

EDM DEPARTMENT INC., their Customers and/or regulatory authorities reserve the right to inspect all materials, special processes, inspection and test data, procedures, or facilities which are pertinent to the respective purchase order. All quality data must be maintained on file for seven (7) years and/or as required by Customer.

Unless otherwise noted, the latest revision to applicable Customer and Government Specifications shall apply.

### EDM QA-19 NADCAP ACCREDITATION

Suppliers utilizing Special Processes as defined by NADCAP in the completion of this order shall ensure that the supplier or sub-supplier providing said service will be NADCAP accredited at the time the service is provided. This requirement must be invoked upon any sub-supplier purchase orders to assure compliance. Suppliers must consult the NADCAP website for a full listing of special processes. Examples of special processes are, but not limited to, chemical processing, coatings, electronics, heat treating, non-destructive testing, non-conventional machining, surface enhancements, material testing, sealants and welding.
