

Cutting Edge Research with EDM's Micro Manufacturing

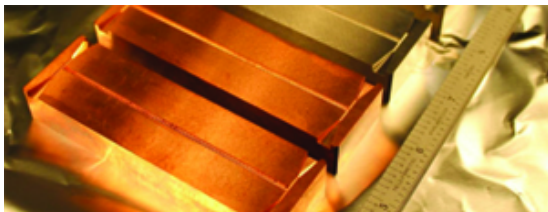

[View this email in your browser](#)

EDM Department

Engineer. Develop. Manufacture.

Monthly eNews

Sinker & Wire EDM. Precision Grinding. Micro Milling. Laser Ablation. Mold & Tool Design. 3D Metrology.

Cutting Edge Research

We're using our micro manufacturing capabilities to work with SLAC National Accelerator Laboratory to develop technologies for future particle accelerators **More>**

Micro Manufacturing

We have more micro manufacturing capabilities than ever including aspect ratios of 38:1, wire sizes of 20um, tolerances as low as one micron **More>**

Interconnect Capabilities

Our interconnect capabilities have increased! We offer surface finishes to 4Ra micro inch, feature sizes down to 40µm **More>**

FANUC Integrator

We're proud to be registered as an official FANUC integrator! See what we can do! Visit our Robotics page **More>**
