

# EDM Department

Engineer. Develop. Manufacture.

August eNews

Sinker & Wire EDM. Precision Grinding. Micro Milling. Laser Ablation. Mold & Tool Design. 3D Metrology.

## Increased Precision

We have more precision capabilities than ever including:

- Feature sizes as small as 40µm
- Tolerances as low as 1 micron
- Aspect Ratios up to 38:1
- 4Ra micro inch Surface finishes

**More Capabilities>**

## We're Expanding!

Currently we're expanding our facilities to encompass our growing resources. Facilities aren't the only thing expanding though, three employees also welcomed new family members this year! Meet Kensington, Wyatt & Violet! **More>**

## Chief Operating Officer

We're excited to announce Mr. Walter Zic as our Chief Operating Officer. As COO, Zic will oversee all strategic and operational processes at EDM Department. **More>**

## Engineering Project Manager

We're pleased to welcome Ms. Katie Lane to the EDM Dept. team. Graduate of Purdue University, Lane earned her master's degree in mechanical engineering **More>**
